

*Come Along  
for the Ride!*

NNRDA's **mission** is to encourage, coordinate, and facilitate diversified development and economic growth of the northeastern Nevada region.

**We are** a non-profit, public/private partnership between local government and private business. Our membership currently includes White Pine, Elko, Eureka, Lander, and Humboldt Counties, as well as those cities found therein. Our private membership is comprised of businesses from various sectors including mining, mine support, development & construction, engineering, utilities, gaming & hospitality, real estate, and banking.

NNRDA is **spearheading** future growth and economic success in the northeastern Nevada region with responsibility for retention and expansion of existing companies, recruiting new business and industries to the region as well as work force, community and leadership development.

**As a member** of NNRDA, you become an advisor for the organization, steering a course that will lead to a healthy, vibrant, and robust economic ecosystem. Here, your business and others like you capitalize on synergies that eventually help us all realize our full potential.

Ready to hit the road? Consider which membership option works best for you and **contact us** today!
